

# ECOMplete SYSTEM

## Sustainable development and production:

### EMAS:

- Continuous improvement of environmental performance
- Annual sustainability report
- Energy and water management
- Social Fairness

### DIN ISO 14001:

- Continuous improvement in reducing waste and CO<sub>2</sub> emissions, and saving of energy, water and material consumption

### ISO 50001:

- Continuous improvement of energy management: performance, efficiency, security, use and consumption

### A.I.S.E. - Charter:

- Safe and sustainable manufacturing of cleaning products

### DIN ISO 9001:

- Continuous improvement of management processes and customer satisfaction
- Established quality management system in product development and production

## green-Effective® Ecolabel certified laundry system

### ■ Eco-efficient performance with eco-effective product design

User and environmental safety at the highest cleaning performance

- Certified with the European Ecolabel (DE/039/007)
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration

### Complete biodegradability

- ECOMplete SYSTEM with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard\*

\*for more information please visit [www.wmprof.com](http://www.wmprof.com)

### Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: **82%** of organic carbon processed in ACTIV liquid originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

### ingredient declaration:

For the ingredients list, please see the Safety Data Sheets

### Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

# ECOMplete SYSTEM

## green-Effective® Ecolabel certified laundry system

■ Ecolabel certified ■ Economical ■ Powerful

### Product profile

- ECOMplete SYSTEM is a powerful liquid laundry system with Ecolabel certification matching highest environmental requirements while enhancing highest performance.
- Meanwhile enhancing universal applicability due to a vast material compatibility, the extraordinary power of ECOMplete SYSTEM assures high washing performance even at 30°C.
- Majorly composed of renewable resources, ECOMplete SYSTEM takes on the responsibility for future generations.

### Area of application

- Use ECOMplete SYSTEM in accordance to the dosing instructions and wash the linen without prewash (depending on the water hardness and degree of soiling of the laundry). The water hardness can be provided by your local water company.

### Application and dosing

Dose in relation to application and degree of soil. Follow below instructions. Automatic dosing system highly recommended.

Application area: developed for professional laundries.
